## **REMARKS**

Applicants have received and reviewed the Office Action mailed March 29, 2007. By way of response, Applicants have canceled claims 30-45 without prejudice.

For the reasons given below, Applicants submit that the amended claims are in condition for allowance and notification to that effect is earnestly solicited.

## Allowable Subject Matter

Applicants acknowledge and appreciate that the Examiner indicated that claims 1-5, 7-20 and 22-29 are allowed.

The Examiner has required that claims 30-45, drawn to an invention nonelected with traverse, be canceled. Applicants have accordingly canceled these claims.

## Summary

In view of the above amendments and remarks, Applicant respectfully requests a Notice of Allowance.

Respectfully submitted,
